WORLD SPA EXPERIENCE

MEXICO

Mexico Agave Experience

Center of an ancient cosmos fused with other worlds

Growing in primeval power and energy

Opening undiscovered doors to new possibilities

Our signature Mexico spa treatment offers you the hydrating and nourishing powers of the native blue agave, honey and aloe vera. We infuse these ingredients that soften your skin and relax your entire being. Enjoy a facial and body exfoliation, followed by a body wrap, and finish with a light body massage.

JAPAN

Japan Shiatsu Experience

Crystal waters cascade on rocks
as the sprays create rainbows
Buddha smiles from the shadows

The Shiatsu experience involves finger pressure applied to the body along with other techniques that aim at improving and balancing the flow of energy of the body. Shiatsu therapy is holistic and excellent for support during the unavoidable changes and transitions that you will experience throughout your lifetime, while treating you to a total relaxation experience. We will enhace this Experience with the Kobido Facial Massage, which through percussion and fast and slow kneading will tone the facial and neck muscles. There's no technology that can replace the power of hands!

THAILAND

Thailand massage with herbal compresses Experience

Movement begets movement flowing ever
outward to transform and revitalize
from the interior

Thailand offers a unique type of massage that will release muscle tension through a combination of relaxing massage techniques, stretching and gentle tapping using a warm compress with dried aromatic herbs such as tamarind leaves, lavender, ginger, lemongrass and laurel. This warm treatment results in deep relaxation and also has medicinal benefits.

TÜRKIYE

Türkiye Hammam Experience

The experience of the bath is the joy of a man's life

Treasure the time, it's short for us there to bide

Delightful opportunity for renovating the soul and spirit

Türkiye signature Spa Treatment will offer you a real Turkish bath with the application of olive soap surrounded by marble stones to help relax the mind and body, followed by a self exfoliation with peppermint sea salts while you are still in the turkish bath. After that, you will receive a deeper kese (mitt) exfoliation laying on the bed and enjoy a full body deep tissue massage with essential oils and finish with a wonderful hydrotherapy bath sorrounded by marble stones and candles.

RUSSIA

Russia Banya Experience

Out of diaphanous heat
arises the desire to once again
live life passionately and completely

Our signature Russian spa treatment is about the banya (sauna). In Russia, sweating and health are virtually synonymous, and the body's safe and natural way to heal because it enhances circulation and oxygenates the cells, tissues and organs. It increases the body's ability to produce energy, which promotes healing by speeding up your metabolism. Your cells are capable of eliminating toxins more effectively. After the sauna experience, you will receive a Russian massage, which is a combination of therapeutic and sports massage developed in the former Soviet Union. It uses a variety of manipulations of the body's soft tissues to achieve benefits, including stress reduction and relief from muscle aches.

BALI

Bali Aromatherapy Experience

Greeting the world with joy in the early morning just as you hail the oldest friend or the one you met yesterday

What sets the Balinese massage apart, aside from the combination of techniques, is the use of 7 different essential oils for mental relaxation. Enjoy a mud massage utilizing organic ingredients such as bell pepper, lime essential oil, coconut and noni extracts. This massage is also designed to deeply relax tense muscle tissue by combining standard massage techniques like kneading and stroking.

INDIA

India Shirodhara Experience

Colors and aromas lead to a nearly forgotten universe where hands heal and souls regenerate

Experience a Shirodhara treatment that utilizes an herbal oil that is poured in a steady stream onto your third eye, followed by a gentle scalp massage that helps to relax the nervous system. It will help to improve the function of the five senses, as well as combat insomnia, stress, anxiety, depression, hair loss and fatigue. Also you will enjoy the Abhyanga therapy, which is a gentle but firm whole body massage from head to toe using warm herbal oils and done in a soft rhythmic way. After the massage, a hot water bath in a luxurious copper tub awaits you.

ITALY

Italy Vendemmia Wine Experience

Wine flows freely, attracting family,
friends and neighbors to remember
that life is only lived in the present

The Italy treatment invites you to indulge in an experience inspired by the tradition of the Vendemmia, the ancient ritual of grape crushing. The therapy continues with an immersive bath ritual inside an authentic wooden barrel, where wine and grape extracts are delicately applied over the body, surrounding you in a multisensory experience. Throughout the ritual, you will enjoy an exclusive tasting of three carefully selected wines, chosen to perfectly complement the experience. After the bath, a relaxing full-body massage will stimulate circulation while the grape polyphenols nourish the skin, helping combat free radicals and the visible signs of premature aging.

SPECIALTY MASSAGE EXPERIENCE

Healing Massage | 55 min. / 85 min.

An alternative massage in which we apply a personalized blend of essentials oil that give off strong, pleasant aromas to promote relaxation, a sense of well-being, and healing. Aromatherapy massage is used for different reasons, including relaxation, pain management, and improved mood. Your massage therapist will apply a few drops of the essential oils along your spine directly to your skin and is meant to improve your physical and mental well-being. A therapy you will love!

Quartz Massage Experience | 55 min. / 85 min.

Chakras are the energy centers located in the human body and responsible for balancing body and mind. Enjoy this NEW experience of total relaxation and well-being where we offer a personalized therapy of quartz on your chakras in combination with a relaxing or deep tissue massage to work the energy points where you need it most. We will select the oil and aromatherapy appropriate to your chakra, as well as focusing on specific areas to work according to your energy needs.

Thai Herbal Massage | 85 min.

This Thai massage releases muscular tension with soft rolling movements, preformed with a hot pack filled with dry herbs like tamarind leaves, lavender, ginger, lemongrass and laurel. This warm treatment has medicinal benefits and feels heavenly on sore muscles. Also enjoy the application of wonderful oils from the East!

The Hot Stone Massage | 85 min.

The original Stone Therapy provides a deep warm nourishing massage that is applied with soft, round and warm volcanic stones. The warm stones will be placed between your toes, along your spine and on the chakra center points of your body. Aromatic oils will prepare your body to receive the warm stones in combination with long-soothing strokes, reflexology, deep-cross fiber techniques and acupressure. Hot therapy aids rapid healing and tissue repair, releases deep tension and brings relief to deep chronic pain.

Bamboo Massage | 85 min.

This massage takes you to a new level of feeling. Each bamboo tool is designed to work on diverse parts of the body and maximize leverage and gravity with sliding, rolling, kneading, pivoting, tapping and friction techniques. Because the tools cover such a broad area at one time, they afford some of the most effective and enjoyable work imaginable on trouble areas such as neck, shoulders, back and legs. It will enhance circulation, remove stagnant toxins and move blood throughout the body, heart and lungs, improving internal respiration.

Lymphatic Drainage Massage | 85 min.

Delicate form of massage that stimulates the body's lymphatic system, improving the metabolism, helping the body to eliminate waste and toxins, while providing a boost to the immune system. It also has a positive physical effect, improving the appearance of the skin and reducing puffiness caused by water retention or poor circulation.

Reflexology Foot Massage | 30 min. / 50 min.

Reflexology uses pressure points on the feet corresponding to specific organs of the body to relieve stress and release blocked energy throughout the body. The proper stimulation of these reflexes can aid in many health problems in a natural way.

Spa

TRADITIONAL MASSAGE EXPERIENCE

Therapeutic Massage | 85 min.

Enjoy a full body massage with a combination of acupressure, reflexology, deep tissue and stretching techniques to release physical and mental stress. Improves blood circulation, eliminates toxins and helps to diminish muscular aches.

Aromatherapy Swedish Massage | 55 min. / 85 min.

This gentle full body massage improves circulation, concentrating on the muscles to relieve discomfort and tension caused by everyday stress and activities. The massage combines the sense of smell, utilizing pure essential oil extracts to soothe the senses and enhance the relaxation of the nervous system.

Sports Deep Tissue Massage | 55 min. / 85 min.

This is a firmer and deeper type of body massage that helps to release chronic muscle tension derived from doing exercise or for guests that enjoy a firmer pressure massage technique. Ideal for anyone that has an athletic and active lifestyle.

Reflexomassage for Legs and Foot | 55 min.

All too often we take our bodies for granted, putting continual demands on ourselves. Our legs and feet frequently get ignored, and small twinges and discomforts often go unheeded. Massage provides the means to ease these tensions and revitalize this weight-bearing part of the body. Enjoy a body lifting experience with this wonderful massage.

Back, Neck & Shoulder Massage | 30 min. / 50 min.

This massage focuses on neck, shoulders, upper back and lower back, where most people carry stress and tension. Combining deep and relaxation massage techniques, you will achieve maximum benefits in a minimum amount of time.

Please Take a Moment to Read This Important Information.

Please advise your therapist of any condition such as high blood pressure, heart arrhythmia, pregnancy or any other medical conditions. The spa is not responsible for personal health-related incidents.

Please be aware that recovery from tension or muscle stress may require more than one massage session.

Plan to arrive at least 30 minutes prior to your appointment. This is to allow you plenty of time to check in, change, use the steam room, jacuzzi, and cascade shower, and begin the relaxation process.

Arriving late will deprive you of valuable treatment time. As a courtesy to the next guest, your treatment will end at the time originally scheduled.

All prices include Federal Taxes.

For your convenience, a 10% service charge will be automatically added to your bill. This amount is given to your service provider(s). Additional gratuities are appreciated but not mandatory.

To cancel or reschedule, please notify us at least 8 hours prior to your appointment; otherwise, it will be considered a "no show" and your account will be charged with 100% of your treatment cost. All prices are subject to change without further notice.

The spa is designed for the enjoyment of our adult guests. To receive a treatment, guests must be 18 years or older. Guests under 18 are required to have an adult present during the service.

Guests 16 years of age and over are welcome to use the fitness center.

We recommend that you do not wear jewelry before you receive a treatment. The spa is not responsible for lost, stolen or damaged personal possessions.

Gift certificates are available for all services.
